AHEC Webinar: Immunization Update

ACIP recommendations for vaccination, with emphasis on use of the ACIP schedules for catch-up of vaccination. Indications, contraindications, and precautions for recent ACIP recommended vaccinations (including HPV) will be included. Vaccine administration topics will include infection control and safe administration practices.

Monday, June 15, 2020 from 3:00 – 4:00 pm

- New Events
  o **DRC – Ebola Virus Disease** (6 cases; 4 deaths; CFR 67%). On June 1, the Ministry of Health notified the WHO of a fresh outbreak of EBV in Mbandaka, Equateur Province. The index case is a 27 year old female who died on May 18. A swab specimen collected from the fourth death, and blood samples from two contacts have tested positive for Ebola Zaire.

- Ongoing Events
  o **Coronavirus Disease** (102,133 cases; 2,614 deaths; CFR 2.6%).
    - All countries have reported cases
    - From May 25 – 31, there was a 26% increase in confirmed cases compared to the previous week.
    - Seychelles and Eritrea have reported zero cases in the past 54 and 42 days, respectively.
    - Gambia, Lesotho, and Equatorial Guinea did not register any cases this week.
  o **DRC – Ebola Virus Disease** (3,463 cases; 2,280 deaths; CFR 66%). There have been no confirmed cases since May 2. All contacts in Beni health district have completed 21 days of follow up with no new cases emerging.
  o **Ethiopia – Cholera** (8,191 cases; 112 deaths; CFR 1.3%). The outbreak is showing a declining trend, with a 46% decrease in reported cases last week.
